

LIMITED WARRANTY

Primary product warranty coverage is determined by each manufacturer independently and will vary. Peak Window Coverings offers a Limited Warranty **in addition** to the manufacturers written warranty at no charge.

Peak Window Coverings will repair any manufacturer approved warranty issue(s) for a period of 3 years (Residential) / 1 Year (Commercial) from date of substantial completion. This warranty covers all parts and labor, provided the product is returned to our retail location for inspection. **On-site inspection, removal and re-installation will be covered for a period of 1 year (all customers) from date of substantial completion for customers who had *Peak Window Coverings* measure, supply and install products in question.**

All manufacturers' written warranties will be honored in full after our specified term limits expire, however, customers will then be responsible for any and all costs associated with shipping defective product back to the manufacturer for warranty inspection.

Peak Window Coverings can assist customers with warranty related issues on products not purchased through Peak Window Coverings, for a reasonable fee.

Manufacturer's warranty will not cover: misuse, abuse or normal wear and tear of products.

Required repairs not covered under warranty will be charged at our standard repair rates.

ALL WARRANTY RELATED REPAIRS WILL BE SUBJECT TO INSPECTION AND APPROVAL.
